

Where can I get accurate information about the Coronavirus?

The library has compiled a guide of links to reputable health information about COVID-19 that can be accessed here: <http://www.independenciaia.org/533/Coronavirus>. Another way to get to this information is to go to library's website, www.independenciaia.org/library and click on Coronavirus under News Flash.

Is the library closing?

Following the closure of Iowa's K-12 schools, the library will close effective **March 17 through March 31**, to be reassessed as we get closer to April. Library programming and community room usage will also be suspended through that date.

What library services will be available?

Reservation/Pick Up of books, DVDs, audiobooks

Beginning on Wednesday, March 18, the library will begin to make materials available on a reservation/pick-up basis. The library will accept online holds of materials (books, DVDs, audiobooks) as well as materials requested over the phone. Details will be posted on the library's website and Facebook.

Return of books, DVDs, audiobooks

You are always welcome to return materials at our drive-up book and AV drop. This is located on the west side of the library building.

The materials I have checked out of the library are due soon. Will I have to pay fines if I don't get them back?

The library has moved all due dates from March 16 and later to April 15. As that date gets closer, the library will reassess whether or not it is necessary to delay due dates further. You will also be able to return books via the materials drop on the west side of the library building.

I got a message that my card has expired. What do I do?

The library is extending patron card expiration dates of those expiring now through May to June 1. There is also a 30-day grace period, so that gives patrons until July 1 to get to the library to renew their card.
