

## **Tonight's Menu:**

### **Pizza Time**

#### **Ingredients: *Anything you want!!!!!!***

- Start off with Pizza dough – fresh or premade - to fit your air fryer
- Olive oil top of Pizza
- Sprinkle garlic on top – or seasoning you like
- Add pizza sauce – I use a lot
- Add any or all ingredient toppings you like
- Top with cheese – any kind you like

1. **Preheat** air fryer to 400F (*Takes about 10 minutes*)
2. When the machine is at temperature, Remove the basket and spray a coating of oil on basket or place pizza on air fryer rack
3. Set timer for 10 minutes
4. Check pizza for doneness, add more time if needed
5. Remove from air fryer let stand 10 minutes

**Thanks ... Enjoy**
